

Thyroid Testing Rebates for APC Members

APC members will STILL have the opportunity to have thyroid testing at a reduced cost and contribute to the database of Pointer statistics.

Membership Has Privileges - REBATES! APC members ONLY are eligible to receive a rebate of \$32.50 toward the cost of having thyroid testing conducted at your local vet's office, submitted to an OFA-specified lab, and reported to the OFA.

For the benefit received through the Thyroid Testing Rebate Program, ALL participants must agree to contribute data to the OFA database by reporting all results. Participants must initial the Authorization to Release Abnormal Results on the Application for Thyroid Database form that must accompany every sample. Please read and follow the Guidelines for the Thyroid Testing Rebate Program (below).

Limited Offer – Don't Wait Too Long! The Thyroid Testing Rebate Program will be limited to the first 100 requests submitted OR until May 1, 2017, whichever comes first. So, don't wait too long to get your thyroid testing completed and request your rebate.

HOW DO YOU GET A REBATE? EASY AS 1-2-3:

1. Follow the Guidelines below.
2. Complete the Rebate Request Form.
3. Mail the signed Rebate Request Form with a copy of the report from the OFA.

Guidelines for the Thyroid Testing Rebate Program:

1. Thyroid Testing Rebates are for tests performed on POINTERS ONLY, and rebates will be made for APC MEMBERS ONLY.
2. Have the blood sample drawn locally, adhering to the instructions as covered on the Application for Thyroid Database, which can be found on the OFA website. Simply go to www.offa.org, click on "Thyroid" in the list on the left side of the screen, then click on "Thyroid Application" in the drop-down menu. Instructions for drawing and shipping the sample, and registering the results, are included on this document.
3. Every completed Application MUST INCLUDE the owner's initials for Authorization to Release Abnormal Results. (This will be cross-checked against the quarterly OFA report for each rebate request.)
4. Have the sample shipped to an OFA-specified lab, with results reported to the OFA.
5. When the report is received from OFA, make a copy, and mail with the Thyroid Testing Rebate Request form as instructed below.
6. Thyroid tests completed between May 21, 2016, and May 1, 2017, on Pointers that belong to APC members are eligible for the \$32.50 rebate. Rebate Requests must be submitted prior to May 1, 2017. This Program will be limited to the first 100 requests submitted OR until May 1, 2017, whichever comes first.

Has it been a while since your dog's thyroid testing was completed? You can get your retesting completed in this program. APC's CHIC protocol recommends retesting at ages 2, 4, 6 and 8. Take advantage of this opportunity!
