

# TO THE POINT

American Pointer Club

May 2016

Since no members or regional clubs submitted an application to hold the 2018 National Specialty Karen Spey has volunteered to gather information on several locations suggested by APC members. Karen will submit her report on June 9<sup>th</sup> at the next Board meeting.

2016 was the 3rd of a three year contract the club has had with Purebred Studios to video tape our National Specialty. The Board approved asking Purebred Studio for a new one-year contract. There was much discussion about the cost of filming vs the number of APC members buying the videos. Over the last three years there has been a loss of thousands of dollars due to the low number of members buying the video. In 2004 the membership voted that the specialty must be videotaped. *The Board is asking for the membership to let us know your feelings on videotaping the Nationals.* Of course there will have to be a membership vote to change the approved 2004 motion. At this point we are only looking for your opinion. Contact any Board member with your comments before June 9<sup>th</sup> if possible.

Valerie Stern issued a very comprehensive report on what the Website Revision committee is doing to bring a new website to the membership of the APC. The committee has set up target completion dates that includes Board approval along the way. When completed the Board will have given the membership another way of providing up to date communication with its members.

## Congratulations to APC's newest Dual Champion

Dual Ch. Paladen's No More Mr. Nice Guy CD JH  
Owned by Art & Ginny Kahn  
Breeder – Karen Detterich & Art and Ginny Kahn
