President's Message

Kudos to Wilderness Pointer Club, PANE, the Southern California Pointer Club and the Colorado Pointer Club for going forward and having events in these trying times. Results of two of the clubs are available in this newsletter.

You will soon be receiving a ballot from our Recording Secretary. I hope you all take the time to return the ballot and vote. We will be voting on Judges for the 2022 and 2023 Nationals.

The 2022 National will be held in conjunction with the Louisville Cluster in March. We will have an Independent Specialty on Wednesday, March 16th which precedes the four All-Breed Shows. This cluster offers Obedience, Rally, and Agility and we will designate one day for each companion event. We will support the entry at the four All-Breed Clubs. There are also field trial grounds nearby. Cindy Lane Smith has offered to be the Show Chair and June Johnston will Chair the Field Events.

In 2023, we will hold our Specialty in Perry Georgia in conjunction with the Peach Blossom Cluster. The National will be held on Saturday, April 15th as an Independent Specialty as Atlanta will release Pointers from entering their show. This cluster also offers all companion events and each will be designated as part of our specialty one day. We will support the entries at the All-Breed shows. Again, there are field trial grounds nearby.

It is not too soon for a local club or a group of APC members to plan on submitting a bid for 2024. All bids need to be submitted to the Vice President by February 15th, 2021. It would be nice if a site was suggested in the western part of the country. Feel free to contact me if you have any questions regarding a bid.
