2016 APC National Specialty Field Events Report

The Field Events associated with the 2016 National Specialty were held April 4-5, 2016 at the Central Florida Field Trialer's Club in Lake Wales, FL. I am writing this report in lieu of Susan Bleckley who stepped in at the last moment to Chair the event and miraculously pulled everything together. We wish Susan and Frank a speedy recovery. The grounds were open areas with plenty of objectives and the weather was lovely and didn't break 80 degrees.

Both the entry and crowd were small due to concerns about snakes, alligators and heat, but the event was a resounding success due to the dedicated committee, enthusiastic participants (newbies as well as old timers), generous donors for rosettes, raffle/auction items & trophies, supporters and talented dogs. A special thanks to the Committee Susan Bleckley, chair, Marva Petrequin (embroidered trophies), Deborah Harper, Kelly Cheek (beautiful rosettes), Rachael Murphy, Gaye Dunlop and bird planter Laurie McCarty. Special thanks to the Judges of the Field Trial-Don Bonnice & Jay Halloran and Hunt Test- Jean Matmor & Susan Wallace. Congratulations to all handlers and dogs.
