Conformation & Junior Showmanship

The sign in my office reads "Full Time Dog Man-Part Time Attorney". I started in dogs in 1980, just a couple of years after beginning my practice. Picking my first German Shorthaired Pointer puppy, at ten weeks of age, I did a pretty good job. Rommel was a top ten dog, along with being my versatile dog - doing obedience and NAVHDA. I have remained active and successful in this breed. My bitch was Best of Breed at Westminster in 2010 and she went on to be the top producing dam for 2011. Her son garnered my first All-Breed Best in Show with a German Shorthaired Pointer, in 2013. He was top producing sire for 2013, 2014, 2015 and now has over fifty champion get.

With my first wife, I exhibited Afghan Hounds for many years. Then, I did some showing and breeding of English Cocker Spaniels and Golden Retrievers. However, my next big venture was with Pointers. Since 1990, I have been involved with this breed. Owning and breeding many Group and Best In Show winners. Most have had their hunting titles, too. One Best In Show bitch also was the top Field Trial puppy, a previous year.

Acquiring a German Wirehaired Pointer bitch in 1995, I campaigned her to the top ten. A bitch from her litter was shown by me to the top ten, three years in a row. During this time, I also owned a Miniature Wirehaired Dachshund. My current Wirehair has been in the top ten the past two years. He won the National and concurrent Regional Specialties in 2019. He is a multiple Group winner.

My experience with the three Pointer breeds led me to present a comparison seminar about them. I now judge the entire Sporting and Hound Groups and Best In Show. I have officiated at the German Shorthaired and Wirehaired Pointer, Pointer Club of Canada and Golden Retriever Nationals. My Wife and I live with, show and hunt a GSP and a GWP in Wesley Chapel, Florida. I co-own a number of other GSPs, that allow me to remain active in confirmation, breeding, hunt tests and field trials

We collect dog art and travel to Crufts, regularly. I have judged in Colombia, Canada, China and Sweden.

Futurity Judge

Megan Johnston Lane has been involved with purebred dogs for over 32 years when her mother bought her first Yorkshire Terrier and began to show in AKC conformation shows. Over the years, they switched to Italian Greyhounds, but Megan felt that she needed a larger breed for Junior Showmanship. That's when she partnered up with her friend and mentor, Trudy Golden, to show "Stretch". The entire family immediately fell in

love with the breed and have been showing and breeding Pointers since.

After college, Megan began to professionally handle dogs for about 10 years, but now only handles her own dogs. She now teaches handling class at a local dog training facility.

Throughout the years, she has bred some top winning Pointers, won Best of Breed at the APC National Specialty, APC Winners Bitch, APC Winners Dog, Best in Futurity and Best in Sweepstakes winners. She co-owns and breeds all dogs with her mother, Jane Johnston, under the Edgehill prefix. Together they always strive for consistent type that is closely aligned with the AKC standard.

Sweepstakes Judge

I fell in love with Pointers on a trip to England to visit my mother-in-law. She bred and exhibited Pointers in her younger years and had a lovely black and white boy bred by Cicely Robertshaw of the famous Crookrise Pointers. I acquired my first Pointer in 1997 and it did not take me long to become smitten with the breed.

I have been fortunate to have some good mentors in the breed as well as some wonderful dogs that have been BIS and BISS winners.

I enjoy running my dogs in the field and am proud that all of my dogs have working titles as well as conformation titles.

It is a great honor to be selected to judge Sweepstakes at the 2022 National Specialty. It will be an experience I will never forget.
