President's Message

The 2022 National is now a wrap. The week started with the Field events in AG Preserves in Glennville, GA. The committee headed by Tracy Black and Deb Freidus did a great job. Ash Oldfield worked magic to get the use of the field grounds at AG Preserve. She also took care of getting the birds for the trial. The lunches and dinner were exceptional. A successful auction was held with Edwin Shupp acting as the auctioneer.

Unfortunately, it was quite warm on Monday for the field trial and most of the dogs went birdless. The weather was a bit cooler on Tuesday for the hunt tests and several dogs did find birds. The grounds were beautiful as was the club house.

Tuesday evening in Perry started with Rachel Murphy organizing an impromptu "Taco Tuesday" for all Pointer people. I was unable to attend but heard it was a great success. I want to thank Rachel for doing this as it started the week on a positive note which was evident for the rest of the week's activities.

Wednesday was dedicated to Agility. Unfortunately, none of the Pointers qualified. There was a nice entry in Pointers in conformation judged by Jamie Hubbard. The BOB Pointer went on to place in a very strong Sporting Group with lots of support from APC members. That evening we had a Welcome Party. Danny Seymour outdid himself. A wonderful spread was offered. Megan Vos had Welcome Bags for everyone.

On Thursday, we considered the Obedience Trial as qualifying for the National. There were entries in Beginner Novice A, Beginner Novice B and another in Novice B. All qualified.

The Breed competition started with Julie Pullan judging Sweepstakes classes. We supported the breed entry with Valdosta KC and Doug Johnson was the breed judge. He had a lovely entry of Pointers.

On Friday we dedicated the Rally Classes as qualifying for the specialty. We had one of our members qualify. Megan Lane judged our Futurity and Maturity classes. The conformation classes were judged by Charlie Olvis. He had a very nice entry of 88 Pointers. His BOB winner went on to a group placement in a strong group, again cheered on by APC members.

That afternoon we had a Judges Seminar headed by JEC, Danny Seymour. There were several judges in attendance and after the classroom presentation, we went back to our ring for the 'hands on" portion of the seminar. It was encouraging to hear the reasons for the choices each judge made in placing the 7 Pointers. Their explanations were detailed and let's hope we will have some well-prepared future Pointer judges

The annual meeting was held Friday evening and a quorum "plus" was obtained showing interest in club affairs. In addition to the review of the program of work, several reports of interests were presented by various Board members as well as discussion items from the floor.

Saturday was the day we were all anticipating. Just as Steve Herman was beginning to judge, the heavens opened up with a deluge of rain and also some thunder. Thank goodness we weren't outside as it would have been a disaster!

That evening we enjoyed a lovely dinner and a fun auction with Dennis Brown being the auctioneer. Everyone seemed to have a pleasant evening wrapping up a busy week of activities.

Now I want to thank all of the people who made this National a success: Ash Oldfield who made our ring look beautiful with the fabulous silk flowers. Melissa Forneris-Joens donated the handmade Pointer ring markers, Claire Abraham was assistant show chair and she pitched in wherever needed and always with a smile. She also had the club's square and used it for apparel sales as well as at the auction on Saturday evening. Annie Westermann and Karen Mays were our Stewards and they kept things moving smoothly for our judge. Jane Johnston and Lillian Wittenberg did a great job with the apparel, again, Dennis Brown was auctioneer extraordinaire and was assisted by Richard Rogers. Incidentally, Richard housed all of the items from the '21 National as due to a severe storm that auction was cancelled. Thanks to Maggie Platt, Sarah Terns and Claire Abraham for keeping track of the items people bought at the auction.
We had to scramble to find tables for all the fabulous baskets that Jean Smith put on display for the Basket Raffle. It was truly amazing. Jean also designed the National logo. It was lovely and looked great on the apparel. Maggie Platt also had the tent/cooler and chair raffle that was very desirable for many. Theresa Lyons also offered her professional talent to help design ads for the catalog. Claire Abraham sold catalogs and will be mailing them to those who so requested. Maggie Platt chaired the companion events. Additionally, she and Sarah Terns were tellers at the GM meeting. Karen Spey was the banquet chair, a job she excels in. Diane Townsend displayed the beautiful ribbons as usual. Lydia Frey was our trophy chair, Danny was JE Chair and also did the Welcome Party, Megan Vos did the Welcome Bags, Lee Ann Stagg was the Futurity Chair. Special thanks to Susan Savage who did the Premium List and compiled all the information for the catalog, made sure everything was constantly updated on the website and many other fine points that it would be impossible to cover everything she did.

I have to say that I felt this national was very different from others. Everyone was getting along and helping each other. The camaraderie was apparent. I also heard people commenting on how tired they were of the small minority that are always complaining and finding fault with everything. I hope this continues as the future of this club depends on it.

Purina Parent Club Partnership (PPCP) Program

The Purina Parent Club Partnership (PPCP) Program enables Purina Pro Club members to designate a parent breed club within the program and accrue Purina Points by purchasing qualifying Purina pet foods. An annual donation from Purina is shared between the parent breed clubs and their Donor Advised Funds (DAF) held at the AKC Canine Health Foundation. In 2021, participating clubs earned $99,230 for their DAFs held at CHF to support important work happening now for dogs everywhere. "We are proud to begin the 20th year of the PPCP Program," says Scott Smith, CHF Board member and Managing Director of the Purina Professional Engagement Team. "The program's success is tied to the commitment of dog breeders and owners who choose to support their breed's health through PPCP and CHF-funded research. The shared goals and collaborative efforts of Purina and CHF are providing a healthy future for all dogs." Since it began in 2002, PPCP has provided over $8.6 million for canine health research, breed rescue, and/or educational efforts to positively impact the general well-being of dogs. Learn more at akcchf.org/ppcp

APC participates in this program. Over the last several years the donation we received from Purina has gone down. The money the club receives pays for the Veterinary Scholarship, supports Judges Education, pays for the speaker at our National Specialty among many other programs in the Heath, Education area. The part of the Purina donation that is sent to the Canine Heath Foundation in our donor advised fund is used to support research programs for canine health research. Let's make a concerted effort to send in the receipts to Purina to increase the funds that Purina sends the club and the Canine Health Foundation in our club's name.

AMERICAN KENNEL CLUB PARENT CLUB MEETING - MARCH 7, 2022 -Partial Minutes
Any questions or comments contact Danny Seymour – AKC Delegate

Harvey Wooding called to the group's attention a recent decision by the Supreme Court of Norway that will result in a breed ban of Bulldogs and Cavaliers in that country. Australia has apparently followed suit. Harvey asked that Sheila Goffe comment on AKC's position vis a vis these recent European rulings.
Sheila Goffe – AKC Staff - This is about animal rights. It stems from a European Union ruling stating that in order to breed animals, they must pass certain health requirements. Norway's (and the European Union) Animal Welfare Act applies to all animals period, not to specific use of animals (such as circuses) that the U.S Animal Welfare Act covers. The Norwegian act prohibits breeding of any animals who, by passing along their genes, might, in a negative way, influence mental or physical function of the offspring. We are starting to see similar appeals by animal rights activists here in this country that are based on what has happened in Norway. While much of our animal protection laws differ from those of Norway, the point we must take away is that we are going to see the same sorts of attempts here by animal rights activists that we've seen be successful in Norway. It will go slowly state by state, but you can count on it happening. Forewarned is forearmed. Sheila closed by reminding all of us of our responsibility to educate the public about the need to maintain breed conformation through standards developed by our Parent Clubs. This was one of the problems with the Norway situation. No one stood up to explain the purpose of purebred dogs and the importance we put on creating strong, healthy dogs through adherence to our standards. We must create a demand for healthy dogs. Here's a link to

the blog Sheila mentioned in the discussion: Norwegian Court Bans Breeding of Bulldogs and Cavalier King Charles Spaniels.

A proposal for a change at the next Board meeting which will allow a Junior to handle a dog not directly owned by them or their family for all events.

NEW BUSINESS Peter Piusz - AKC Meet the Breeds® Peter related a letter he sent to Gina DiNardo asking how AKC planned to staff MTB breed booths when the Parent Club was unable to get volunteers to handle the event. Gina replied that once the Parent Club has declined, AKC would approach other breed representatives beginning with local specialty clubs, Breeders of Merit or Bred with Heart breeders in that area. Peter felt this was a fair way to approach the issue, AKC has no other alternative than to approach people not directly involved with the Parent Club to staff the booth. Don James asked what AKC's plans might be if they were unable to find people associated with that breed after exhausting all of the above alternatives. Apparently, AKC will try to cover those instances by using AKC Staff at these events.

Dawn Meller Memorial

A memorial for Dawn is planned for Wednesday, June 15, 2022, at 3 PM, at Benchfield Farms, 368 Gameland Road, Newville, PA 17241. Dawn requested that her Pointer Stepping Stone be placed in the Memorial Garden located at Benchfield Farms.

Dawn and many of her Belarm Kennel friends' ashes were spread at her home in Kingsport, Tennessee.

Dawn's collection of "stuff", as she fondly called it, was lovingly removed from her home and placed in the hands of persons she requested to continue to care for it. It was hard to dismantle everything she gathered over the 50+ years and exhibited it in her home. Thankfully, she had several dedicated friends that helped through Dawn's journey at the end of her life on earth and with distribution of her collections of trophies, paintings, prints, books, crystals, and catalogs. She left me clear instructions as to what I was to do with her collections.

This event is planned at this time to coordinate the travels that any exhibitors might want, so that those coming from far away might coordinate their visit with the Westminster Kennel Club Show being held in New York State at the Lyndhurst Estate starting Saturday, June 16.

Following the placement of Dawn's Stepping Stone, a picnic meal will be provided. If you plan to attend, please let Linda Bunning know. Contact information is:
