Notes from the AKC June Delegate's Meeting

- Parent Clubs are urged to carefully monitor state and federal proposed legislation as there are too many advocacy groups influencing legislators to write and sponsor bills having a negative impact on purebred breeders. Dog clubs must be aggressive. ***Marjorie Martorella posts all state and federal legislative bills on the chat group. Read and respond to your individual state bills that are coming up for a vote.***
- Parent clubs have the ability to hold as many specialties as they like. APC is developing an application just for those specialties. They are not considered National Specialties.

At their June 2022 meeting the AKC Delegate body approved changes to Chapter 11, Section 6 of the Rules Applying to Dog Shows. The changes provide exhibitors more flexibility in transferring an entry between classes that are defined by age.

The changes include:

- Allow transfer between the divisions (if offered) of the Bred-by-Exhibitor class (Puppy/Adult)
- Adds verbiage to specify transfer between the divisions of the Twelve-to-Eighteen Month class
- Adds verbiage to specify transfer between the divisions of the Veterans class
- Inserts language to recognize that transfer between Puppy and Twelve-to-Eighteen Month classes may involve divisions of either
- Adds language for clarity as to when a transfer between classes must be completed at an individual event with multiple days of judging

This change is effective at events occurring on or after July 6, 2022.

Purina Pro Club

You might ask “Why join”? Every year the APC and the Canine Health Foundation receive a percentage of the funds that Purina gives to the parent clubs. The amount is determined from the total of the receipts sent in by those that designated the APC as their Breed Club. That total amount is split in half – half to the APC and half to the Canine Health Foundation. Last year the APC received \$959.41.

What does the club use that money for?

- Veterinary Scholarship awarded yearly in the amount of \$1,000.
- APC donation to the Canine Health Foundation toward specific canine research.
- Judge’s Education – expenses and materials for the judge’s education seminars.
- Speakers at our National Specialty.

Pro Club Benefits

- Purina Points Rewards Program
- FREE subscription to Today’s Breeder magazine
- FREE Puppy & Kitten Starter Kits
- FREE Purina® Pro Plan® Breed Update newsletter
- Events, competitions and awards information

The application to join the Purina Pro Club can be found on the internet. www.purinaproclub/welcome

If you are already a member of the Purina Pro Club, please remember to send in your receipts so you get your reward points and the APC, and the Canine Health Foundation receive their funds.

Thank you
