Event #2022149411

In Loving Memory of

Jack Haines

Jack was involved with pointing breed dogs for over 50 years, owning GSPs, Brittanys, Irish & English Setters, and of course Pointers; competed in American Field & AKC trials, hunt tests, and conformation; finished show champions, AF & AKC field champions, 2 AKC National Amateur champions, and owned a Dual Champion too.

Jack was also a judge for both American Field and AKC, judging in multiple championships. His "pay it forward" attitude didn't stop there. He served as the 2007 President for the American Pointer Club and served on the APC Nominating Committee on 4 occasions.
Jack was the biggest advocate for the formation of the APC National Field Trial Championship which ran for the first time in 1996. He was also the chairman of the APC National Field Trial Standing Committee for many years.

The Pointer community has lost a precious advocate for the dogs we love so much. Jack will be greatly missed by all of us.

Some interesting information about our judges…

Justin Allen

16 years ago, Denny and Linda Keeton changed my life forever. They invited my wife, Stephanie, and I to a field trial at Killdeer Plains. I was infected with the field trial flu, and it still runs deep in my veins. I dove into the deep end of the pool, so to speak, and learned all I could from as many people as possible. I planted birds for so many braces at Killdeer Plains and Indian Creek that I thought my rear end would be worn off! We soon got our very first puppy which we trained and handled to a DC/AFC, spoiling us forever. If I only knew then what I know now, Captain may have gained even more titles and notoriety. What he did do, however, was introduce us to a complex sport full of amazing people who have grown into an extended family. He took me places I never dreamed of going and he shaped my life in ways I cannot even begin to explain. Some of those people I met have helped me to become the trainer/handler/breeder I am today. What he gave me was an education, a new extended family, and a brain full of priceless memories. My education is not over and with each new person I meet, I try to take away something and file it away for future use. My dogs have led me to AKC and American Field national events all over the country. We have campaigned at horseback and walking events and have gotten the opportunity to hunt wild grouse, pheasants, Hungarian partridge, quail, and woodcock. I love watching and working with bird dogs. I love a masterful performance from a handler and dog team. I thank you for inviting me to judge your National Championship and I look forward to some masterful performances!

RJ Marquart

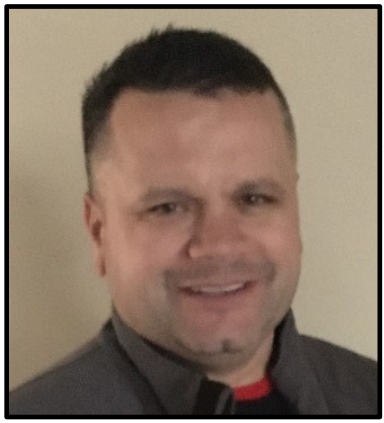
When most kids his age were just learning to drive a car, R.J. Marquart was already a pro. At the tender age of 16, he became a professional bird dog trainer. At 18, he earned his first field championship, and he became the youngest person ever to take home the National Canadian Chuckar Championship when he claimed that victory at the age of 19.

More than 30 years later, RJ is still going strong; training and field trialing pointing dogs at his Quicksilver Kennels in Moses Lake, Washington.

RJ has won more than 70 AKC, CKC and AF Championships. One of his most amazing feats is Marquart's record of winning with ten different breeds of pointing dogs. He has won championships with Gordon Setters, English Setters, Irish Setters, Lewellin Setters, Red Setters, English Pointers, German Wirehaired Pointers, German Shorthaired Pointers, Vizsla, and Brittany's. And RJ received Gordon Setter of the Year title for 3 straight years. He has won the National Canadian Chuckar Championship three times, and he has won the English Setter National Championship, the National Derby Classics, and the following year, one of the dogs that he had trained had won the National Amateur Championship. He also trained the dog that won the National Vizsla Championship. In 2005, he had the No. 1 English Setter, Gordon Setter and Irish Setter. RJ has judged numerous AKC and AF Championship.

RJ puts on training clinics for all pointing breeds throughout the United States, Canada, and Mexico.

Bill Monk



My wife Tina and I live in Wellsburg, WV with our four boys, Wiley, Owen, Ian and Zach. Growing up as a kid we lived in central Ohio in the heart of the city; it is hard to believe that my passion for the outdoors is so strong, but it is where I am the most comfortable. My parents would take us to our family cabin to hunt and fish, but my true passion was found when I started hunting with Bird Dogs while living in Iowa. Seeing a bird dog work for the first time, I knew this was the only way to hunt. A few years went by, and I became more obsessed with bird dogs. I started going to field trials, hunt test, NSTRA and NAVHDA events and I didn't own a bird dog. During this time, I became good friends with Steve Reis of Top Gun Kennels in Alburnett, Iowa. Steve would let me handle his old dogs in fun trails and NSTRA events and then one day Steve gave me a German Shorthaired Pointer puppy he called Charlie, Top Gun "Good Time" Charlie. Shortly after that I relocated back to Ohio/WV where I started Good Time Kennels and started going to dog events. The competitor in me led me to field trails on a regular basis. In 2006, I had the opportunity to win the GSPCA National Amateur Gun Dog Championship in Medford NJ, I finished two FC/AFC's but as my dogs started to age and my family started to grow up, my priorities changed. In 2010, I stepped away from competition to focus on my family. During this time, we relocated to the Ohio Valley for work and to be closer to my training grounds at Mingo Sportsman Club, where I am an officer of the club and head up all bird dog activities. My judging experience started in 2005 and I judged my first National Championship in 2008. Since that time, I have judged just about every pointing dog breed in a national, species or regional championship event and have not found one that I wish I hadn't done. I am honored to be judging this amazing event and I can't wait to get in the saddle again to watch your great dogs. Thank you and Good Luck to everyone.

Matt Solt

I have spent my entire life in Salt Lake City, Utah. When I was 16, I got my first hunting dog. She was an Irish Setter pup we named Babe. From that moment on, I was hooked on bird hunting. I would go hunting every chance I could get. One of my hunting buddies had a German Wirehair Pointer and I loved watching that dog work birds. When it was time to say goodbye to Babe, I purchased my first German Wirehair, Maggie. When I got Maggie, I did not realize how lucky I was because I didn't know much. Unfortunately for her, I not only learned what to do, I also learned what not to do.

I started running Maggie in shoot to retrieve trials. During one of those trials, I ran into a blonde, who later became my wife. Nichole and I have two boys, Chase 14 and Wyatt 10, who both love running dogs.

Maggie provided me with two great dogs which I trained and handled to earn their NAVHDA VC's. In 2007, I started running dogs in AKC. I have judged both AKC and American Field throughout the West. I judged the 2018 Weimaraner Nationals, 2019 GSPCA futurity. and in 2020, the Irish Setter Nationals. I have trained and handled a few dogs to earn their FC/AFC, and GFC. I have also been privileged enough to own and train the 2019 GWP NFC, 2019 GSP Walking NAGDC, and the 2021 GSP NGDC.

Thank you so much for giving me the opportunity to judge the 2022 APC National Championships!

Good luck and best wishes to all the participants at the 2022 Nationals!
