

++ Exciting News!++

2023 National Specialty and APC Club Apparel is now available for purchase!

The APC is trying something new this year. We have set up a "Spirit Store" thru a vendor that will embroider or print (depending on the item) our logos on many different items. This Spirit Store offers a selection of different items and lots of sizes some up to 4XL. No longer will we be limited to a few items and limited sizing on a first come first size. Items are marked embroidered before the items name. If not noted it is a screen printed item. There are many items in all price ranges.

All items will be shipped to you. We will not have items for sale in Perry GA at the National Specialty.

The first 25 purchasers will be entered into a raffle for a lovely antique Pointer Plate.

Start shopping today and support the American Pointer Club!
