Friday – Dinner and NGC and ODC awards

Saturday – Dinner at the Clubhouse and auction.

Sunday – NGAC awards at conclusion of the event

Breakfast and **lunch** will be available for purchase daily at the outdoor pavilion.

A little bit about our judges….

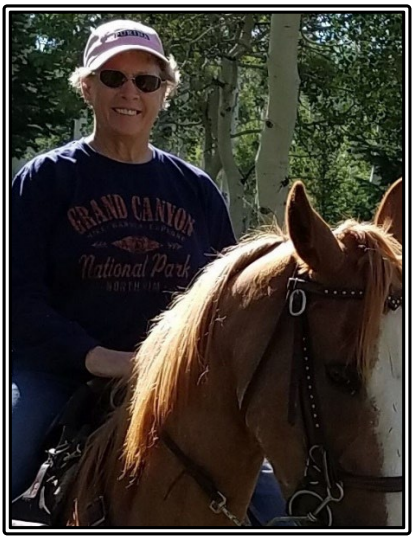
Sheila Hart

I was blessed to grow up in this amazing sport. I started scouting for my Dad when I was in single digits! As I grew up, so did my love for bird dogs. I was lucky that I learned from some of the greatest people in this sport.

Over the years, I've competed, scouted, Judged, and reported all over this great country. I was a professional trainer from 2005 to 2016. I did my fair share of winning. I was a dog trainer and quail guide on Honey Lake Plantation, the number one hunting destination, two years running.

Still the first frost, just cut a dog loose, throw yourself in the saddle and watch them take that first edge. Doesn't get much better than that.

Bonnie Hildago

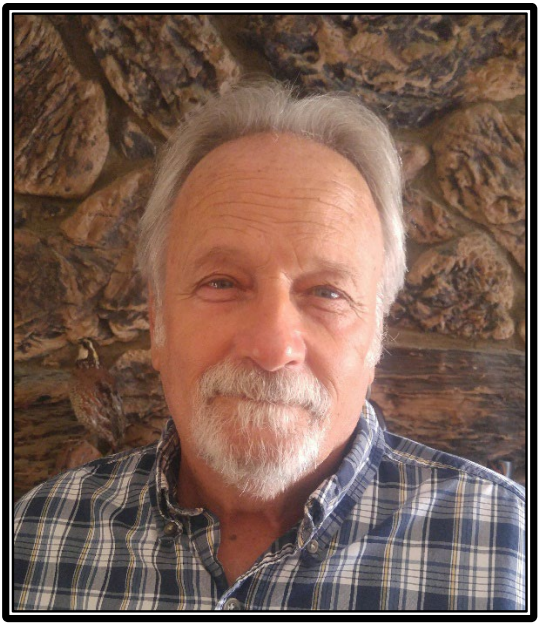


As early as I can remember, field trials and bird dogs have been a big part of my life. I wouldn't have it any other way! Growing up, my whole family went to field trials nearly every weekend, Spring and Fall. My Dad started in the sport as an amateur and when I was 10, he turned pro. I watched my dad train just about every pointing breed imaginable and I watched and assisted as some of those dogs excelled and won national championships. The love of this sport is infectious and before long I had an incurable case that would cause me to be dog and horse poor for life.

I grew up with English setters and pointers. I started judging both American Field (now UKC) and AKC trials in the 1970's. I judged my first of many national championships in 1995, the Irish Setter at Booneville, AR where my husband Dennis and I met. We raise, train and trial our red setters and pointers and have been moderately successful with 10 Championship titles and 11 Runner-ups in American Field competition. Prior to 2005, when I became an AKC Field Rep, we had several dogs achieve FC and AFC status. Dennis and I are both retired; we plan to campaign dogs, judge, and report trials for as long as we are physically able. I feel that judging and reporting is the best way that I can give back to the sport, that has done so much for me.

I am very honored to have been asked to judge the 2023 APC National Championship! I am looking forward to watching some great performances. Best of luck to all competitors!

Greg Knight



I got my first bird dog in the early 1970's, as a hunting dog. I had hunted birds for years without a dog and this changed everything for me.

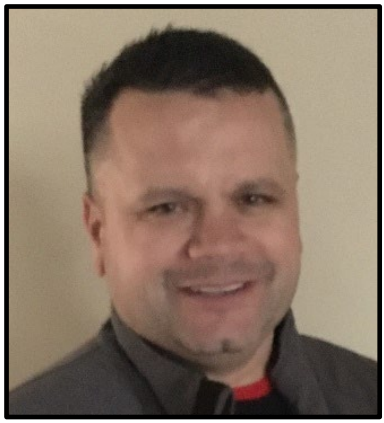
In 1978, I worked with someone that had dogs and competed in field trials. He invited me to my first field trial and the next thing I knew I was getting a new puppy. I decided I needed a trainer and met with Bill Gibbons, who taught me a lot over the next few years, about running and training dogs. I was placing and winning with my dogs and I enjoyed watching all the dogs and the comradery of people involved.

In the late 1980's, I was involved in the founding of the National Vizsla Association (N.V.A.), as another place to run our dogs.

I began judging field trials in 1993 and was taught to always be positive. Over the years, I have judged numerous A.K.C. Field Trials, American Field Championships, the German Shorthaired Pointers National Championship twice, and the German Wirehaired Pointer National Championship.

I still find every event, after all these years, to be as exciting as the first one I attended. The American Pointer Club Field Trial Championship is a premier event, and I feel privileged to be asked to judge.

Bill Monk



My wife Tina and I live in Wellsburg, WV with our four boys, Wiley, Owen, Ian and Zach. Growing up as a kid we lived in central Ohio in the heart of the city; it is hard to believe that my passion for the outdoors is so strong, but it is where I am the most comfortable. My parents would take us to our family cabin to hunt and fish, but my true passion was found when I started hunting with Bird Dogs while living in Iowa. Seeing a bird dog work for the first time, I knew this was the only way to hunt. A few years went by, and I became more obsessed with bird dogs. I started going to field trials, hunt test, NSTRA and NAVHDA events and I didn't own a bird dog. During this time, I became good friends with Steve Reis of Top Gun Kennels in Alburnett, Iowa. Steve would let me handle his old dogs in fun trails and NSTRA events and then one day Steve gave me a German Shorthaired Pointer puppy he called Charlie, Top Gun "Good Time" Charlie. Shortly after that I relocated back to Ohio/WV where I started Good Time Kennels and started going to dog events. The competitor in me led me to field trails on a regular basis. In 2006, I had the opportunity to win the GSPCA National Amateur Gun Dog Championship in Medford NJ, I finished two FC/AFC's but as my dogs started to age and my family started to grow up, my priorities changed. In 2010, I stepped away from competition to focus on my family. During this time, we relocated to the Ohio Valley for work and to be closer to my training grounds at Mingo Sportsman Club, where I am an officer of the club and head up all bird dog activities. My judging experience started in 2005 and I judged my first National Championship in 2008. Since that time, I have judged just about every pointing dog breed in a national, species or regional championship event and have not found one that I wish I hadn't done. I am honored to be judging this amazing event and I can't wait to get in the saddle again to watch your great dogs. Thank you and Good Luck to everyone.
