2023 APC Field Awards

For each placement, points are determined by the number of starters defeated multiplied by the weight number for that placement. Four for first place, three for second, two for third and one for fourth place. Points from placements in the AKC Gun Dog Championship and the APC National Championship are multiplied by two. A Pointer must be owned or co-owned by a member of APC for the year in question to be eligible for APC's Field Trial Awards.
