Parade of Titleholders Guidelines

Eligible: AKC registered Pointers who have received at MINIMUM one AKC title.

The Parade of Titleholders will take place at the National Specialty each year. The Show Committee/Chair will determine the date and time and will be at a selected time to optimize audience participation as much as possible.

The Ribbon Chairperson will include a "minimum" order of Parade of Titleholder ribbons in the Ribbon Order for the National Specialty calculated on or before December of the prior year. The Ribbon Chair should contact the Ribbon Company to determine the final date that entrants' names should be provided and adjust the number of ribbons needed. This will set the deadline for Parade participant entries.

All entries will be made on the APC website under the National Specialty banner using Membership Works. No other forms of payment/entry will be accepted. The website will be updated each year with a current year form that allows a fill-in entry and a 50-word or less biography of the dog. The biography may only include non-AKC titles. The Parade chair has the right to edit any biographies to limit words.

No entries will be refunded or canceled after the deadline date for entries. No ribbons/souvenirs will be mailed if the dog/owner is absent.

The Parade Chairperson will have dogs/handlers enter the ring one at a time. Entrants will receive a rosette with the APC logo/National Specialty Logo and will have the dog's registered name and titles on a streamer. The dog's biography will be read with a microphone system, and the dog/handler team will circle the ring. After all entries have individually circled the ring, all entries will do one more go-around together.
